Spending Money and Other Valuables

It is not recommended that excessive amounts of cash be brought to camp. Please remind your camper to keep any spending money in a secure place.

We also try to discourage campers from bringing electronic devices such as iPods and laptop computers. The Revolution Softball Camps are not responsible for the theft or loss of personal items. Please keep cell phones in rooms. They are not to be used during time on the softball field.

Cell Phone Policy

In order to provide the ideal camper experience, we believe in limiting the use of cell phones and other electronic devices while at camp. Use of phones is not permitted during the instructional blocks of camp, including on-field and classroom sessions. We feel this will minimize distractions to the learning environment, help maintain an inclusive atmosphere and alleviate potential problems that can detract from the overall experience for everyone. Phone use will be allowed during in the mornings prior to morning session, at lunch, and for overnight camps before and after the evening session. We will still encourage players to minimize their time on devices in order to interact and engage with other campers, but understand they might want the chance to call home, text friends, etc
